You can get personalised embroidery on clothing for your boat. Rainbow Image in Lymington has a master for the Contessa 26 Logo. We organised this for the 30th Anniversary Rally in 1996.

They will put it on a range of garments. Their address is:-

Look at their website for the large range of garments they can supply.

Here is a photo of one of my polo shirts from 1996. The lettering is more uniform than in the photo. You can personalise the colour by specifying Hull and Superstructure colours.

Morwennol Fach had a blue hull and cream top moulding.

We have a special logo for the 50th anniversary Rally in 2016
Here is the logo for the Rally.

The boat name will be below the boat image. The Co symbol, sail edge and battens will be embroidered in black as the red shirt, not in yellow, so will be visible.

Rainbow Image keep a representative stock of the garments they offer.

You can either order from them by email or go to their premises and select from their samples. If you order and pay before the Rally I will collect them for you and bring to the Rally.

Email me spinrock@waitrose.com when you have completed your order and want me to collect for you. Mike Fanstone.
